TERMS & CONDITIONS

Bulldogs are typically affectionate and friendly, and our rescue organization would not knowingly place a dog with an unsound temperament. However, no one can predict how any dog will react in a given situation without complete knowledge of its life experiences before its rescue. Therefore, adopters are strongly urged to exercise prudence and caution in introducing an adopted bulldog into a new situation until the dog has become fully adjusted to its new environment and the adopter has had an opportunity to become familiar with the dog's unique personality. The Bulldog Club of Colorado Springs and its rescue network make no claims, representations, or warranties regarding the temperament, behavior, or future health of any rescued bulldog.

Every dog placed by our rescue network will be spayed or neutered prior to placement. Every dog will be returned to The Bulldog Club of Colorado Springs if adopting person listed on this application cannot keep the dog for any reason. No refunds will be made, understanding the dog will be relinquished at no charge to the club.

The standard fee for adopting is \$400.00 to cover vet bills and routine care while in foster care.
